## SECTIONAL DISPLAY SYSTEM

## PARTS LIST

10	sectional display system	48	Z-bar
10a-b	sectional display systems	49	hole
	-	50	outer frame
12	enclosure cabinet	50a	outer frame
14a-d	modular display panels	51	hole
16	right planar side	52	fine mesh screen (filtering media)
18	left planar side		(1110011119
		52a	fine mesh screen
20	planar top		(filtering media)
22	planar bottom	53	machine screw
24	planar back	53	machine screw
26	outer bracket	54	inner frame
28	inner bracket	54a	inner frame
30	outer bracket		
32	inner bracket	56	display circuit board module
34	left display		
	module/nested	56a	display circuit
	frame assembly		board module
36	right display module/nested	57a-n	LED character blocks
	frame assembly	58	driver circuit board
	<del>-</del>	58a	driver circuit board
38	upper framework		
	channel	59	nut
40	lower framework	60	top planar panel
	channel	62	bottom planar panel
42	alignment pin	64	left planar panel
44	alignment pin	66	right planar panel
46a-n	brackets		
40a 11	MIGORECA		

68	upper planar frontal panel	87a-n	machine screws
600	-	88	bottom planar panel
68a	upper planar frontal panel	89a-n	1/4 turn male fasteners
69	<pre>spacer (male/female)</pre>	90	left planar panel
70	lower planar frontal panel	92	right planar panel
70a	lower planar	94	upper planar frontal panel
	frontal panel	94a	upper planar frontaL
71	<pre>spacer (male/female)</pre>	94a	panel
72	left planar	96	lower planar frontal panel
	frontal panel	96a	lower planar frontal
74	right planar frontal panel		panel
76	central planar frontal panel	98	left planar frontal panel
77	access hole	100	right planar frontal panel
78	upper planar tab	102	central planar frontal panel
79	access hole		<del>-</del>
80	lower planar tab	104 106	upper planar tab lower planar tab
81	access hole	108	upper planar tab
82	upper planar tab	110	lower planar tab
83	access hole	112 114	left planar tab right planar tab
84	lower planar tab	116	top edge
85a-n	spacers	118	bottom edge
86	top planar panel		

120	access hole	152a-n	fasteners
122 124	access hole	154	screwdriver
126	access hole	156a-n	machine screws
128a-n	nuts	160a-n	rivets
129a-n	holes (disp ckt bd)	162	planar panel
130a-n	1/4 turn female fastener receptacles	164	configured planar panel
132a-n	holes	166 168	upper tab lower tab
1524 11			
134a-d	power supplies	170 172	upper slot lower slot
135	fuse/fuse holder	112	10Wel Slot
		174	panel
136	controller card	176 178	panel panel
137	transformer	176	paner
		180a-n	fasteners
138	modem	100	wall
139	buzzer	182	wall
		184	ring
140	access termination panel	200a-n	studs
142	signal input jack	202	stud
144	signal output jack	204	spacer
145	power input jack		
148a-n	captivated threaded inserts		
150a-n	captivated threaded inserts		
151a-n	captivated threaded inserts
